

THIEL

COLLEGE

March 30, 2020

To Whom It May Concern:

I am pleased to recommend Miss Olivia Stone for a teaching position within your school district. Over the past year, I have had the pleasure of instructing Olivia in several education courses at Thiel College and serving as her student teaching advisor.

Olivia demonstrates all of the qualities of an excellent teacher and professional. I am impressed with the plethora of knowledge and skills that Olivia possesses. It is evident that she plans lessons based on the needs of each student, and she demonstrates flexibility and responsiveness to meet their unique learning needs. She has knowledge of pedagogy as it relates to elementary students, and she is also aware of special education laws and the importance of differentiation. Her ability to motivate and engage students in their own learning and encourage them to succeed is admirable. Olivia's lessons reflect her ability to be creative, and she also effectively uses technology to engage students when delivering instruction. She has outstanding communication skills, a positive attitude, and it is obvious she has a passion for teaching. Olivia is willing to accept suggestions and is always eager to share new ideas and activities. She is very reliable and has the drive to go above and beyond in everything she does. She has proven to be a natural, exemplary leader in the classroom and in all of the other activities in which she is involved.

Olivia has earned my deepest respect, and I recommend her to you knowing that she will be an invaluable asset to your school district. Please feel free to contact me with further questions at 724-301-2697. Thank you for considering Olivia as a candidate for this teaching position.

Sincerely,

Kara Schreckenghost, M.Ed.
Thiel College
Education Department Professor
